### District Goals

Bethel School District strives every day to realize its vision to: *Develop and operate an aligned K-12 system designed to ensure that all students graduate from high school prepared to continue their education or enter the work force.* State Assessments are one of multiple measures to assess student learning. Please contact your child's teacher or building administrator for specific information about your child's education.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
